The varieties of the vegetables changes each month and there are usually between five to ten different varieties each time. The produce comes from Mexico. Thirty-five percent of all winter produce eaten in America crosses the borders at Nogales. MOM brings high quality produce to the people. No one is ever turned down from receiving produce. We hope you will support this program and help feed the community around us. The \$10 donation is **SAVING THE PRODUCE AND FEEDING THE PEOPLE!**
